

CLEAR WATER GUARANTEE

Oase
LIVING WATER

The OASE Clear Water Guarantee (CWG) addresses and resolves the top issues that customers have with their pond or water garden: »green water and too much work«

When a customer uses properly specified and maintained CWG products they will have clear water and much less maintenance - GUARANTEED.

How the Program Works:

- Choose the correct CWG products based on pond size and fish stocking level.
- Register the products online at www.oase-livingwater.com/na/cwg
- Install the CWG products per the installation instructions.
- Perform the recommended maintenance.
 - Clean the filter as needed.
 - Replace the UVC bulb annually.

With a global reputation for excellence, you can take comfort in OASE's unmatched knowledge and expertise.
