

AQUAGARDEN STAND

Elevate the height and style of your AquaGarden Mini Pond Kit with the elegant AquaGarden Stand. The sleek, modern design and matte black finish blend well into any indoor or outdoor setting. The stand is designed to support the weight of your mini pond, raising your AquaGarden to where it can be more easily enjoyed. The stand is designed specifically for the AquaGarden with a special flange which prevents the unit from moving side to side. Once in place, the container can be turned to the desired angle.

- Designed to elevate the AquaGarden Mini Pond Kit
- Supports the weight of the mini pond
- Sleek, modern design with matte black finish
- Long-lasting and durable powder-coated iron construction
- Great for use indoors or out
